Girls! Girls! Girls!

is juried exhibit sponsored by the Dare County Arts Council celebrating women in all of their beauty.

From pin-ups to low-brow, from classical to contemporary, from homemaker to business executive, our exhibit wants to exemplify everything that is “girly.”

We are asking artists to display three to five works of art depicting either women or the things that women love, or any combination thereof. Be creative!

Girls! Girls! Girls! will be a fun exhibition and we hope your work can be a part of the excitement!
