2024 Rock The Cape Gallery Tour

Pea Island Art Gallery, 27766 Hwy 12, Salvo - A NEW ERA OF THE PEA CONTINUES!

They decided to close their doors at the end of the 2022 season - it was time to end that chapter & begin a new one as an event space for transformational life coaching. The Pea has, indeed, become an event space as planned. However, much to everyone's delight, the gallery was reborn as part of the new space! Their collection now features some of your favorite artists blended together in new & inspiring ways, open weekly Wednesday through Friday, 10-5.

Come share in the joy that is creativity in action. And while there, inquire about coaching!

It could change your life! Cheers to the NEW - see ya Friday!
