

Deborah Scott

**Award of
Excellence**

**The Virginia
Watercolor
Society**

Deborah is an award-winning regional and state artist, and received her first award at the **Hampton Bay Days Juried Art Show** in 1986.

“Unfortunately, I had to give up painting in oils due to an illness. I wasn’t able to hold my brush, but I feel that it was a blessing which led me to my somewhat impressionistic style in watercolors. I love the freedom and the unpredictable “happenings” watercolors produce.”

Some of her most notable successes were being awarded **Signature Member of the Virginia Watercolor Society**, and receiving the **Award of Excellence** for “**Fireworks Over Ft. Monroe.**” She also received **Best in Show** in the **Williamsburg Contemporary Art Center Regional Juried Art Show** for “**Struttin' Her Stuff.**”

She is a member of the **Dare County Arts Council**, the **Watercolor Society of North Carolina**, **The Hampton Art League**, **The Poquoson Art League**, **The Peninsula Watermedia Society**, the **Williamsburg Contemporary Art Center**, and the **Rappahanock Art League**.

She divides her time between her homes in **Poquoson, Va.**, and **Manteo, N.C.**, and supports her communities in many ways including the **Haiti** twinning program, and the **Outer Banks Community Foundation**.

Deborah is primarily a self-taught artist with a degree in education from **Radford University** where she recently presented her painting, “**The Journey**” to the **Artis Center in honor of Nancy and Pat Artis**. Many of her paintings are inspired by boating and traveling experiences and especially loves painting glorious sunsets, beach scenes, figures and anything related to the water and God’s beauty. “ I’m inviting you to experience this same beauty!”

You can view and purchase Deborah’s paintings at **The Dare Arts Gallery**, Manteo, N.C. and **Artsy Octopus Fine Art Shop**, Nags Head, N.C. MP 16, and area restaurants.
